

A word cloud featuring various terms in different colors and orientations. The words are arranged in a roughly circular shape. The most prominent words are 'information' and 'understand' in the center, both in a large, dark grey font. Other large words include 'workshop' (yellow, vertical on the left), 'technology' (green, horizontal at the top), 'helpful' (yellow, horizontal in the middle), and 'beginning' (green, vertical on the left). Smaller words include 'practise', 'experience', 'security', 'week', 'lots', 'ideas', 'difficult', 'time', 'tool', 'technical', 'benefit', 'idea', 'training', 'practical', 'questions', 'book', 'dont', 'medical', 'test', 'nice', 'people', 'enjoyed', and 'learn'. The colors used include yellow, green, purple, pink, and grey.
